Over 16 Years of History

At LatinCup, we believe our success is rooted in the passion and dedication of our team. Every member brings their commitment and expertise to the table, pouring heart into the creation of premium-quality packaging.

Our commitment to sustainability is unwavering. We work with paper suppliers that are certified for environmental responsibility and reforestation programs. In addition, we recycle our waste, ensuring it is reused by partner companies—thus responsibly closing the production cycle.

We are dedicated to being the trusted packaging partner for the hospitality industry, helping our clients strengthen their brand with high-quality custom packaging.

Custom Printed Paper Cups

We offer a full range of sizes for both hot and cold drinks.

We are a cardboard packaging manufacturer specialized in producing biodegradable cups, ideal for both hot and cold beverages. We create custom-printed cups with high-quality finishes to elevate your brand. Customization is available from single-color to full-color printing.

WE CUSTOMIZE YOUR PACKAGING

CREATIVITY WITHOUT LIMITS!

VENDING CUP

Our cups for vending and self-service machines are designed to prevent jamming and sticking, ensuring smooth and uninterrupted operation. Their design optimizes machine performance, guaranteeing fast and reliable service.

Sizes: 6 and 7 oz

DOUBLE-WALL CUP

Perfect for very hot beverages, these cups are made with a double layer of cardboard, providing greater rigidity and natural thermal insulation. Their design offers both comfort and safety for the user.

Sizes: 7, 9, and 12 oz

SINGLE-WALL CUP

Our hot beverage cups are ideal for cafés, bakeries, and restaurants looking for a variety of sizes, high quality, and sustainability, as they are fully biodegradable.

Tamaño: 4, 7, 8, 10, 12, 16, 22 onzas y 12 exportación

COLD DRINK CUP

These cups feature a double protective plastic layer that prevents deformation from beverage moisture. They are ideal for serving iced drinks, slushies, or ice cream.

Sizes: 12, 16, and 22 oz

Cup Accessories

Our accessories are the perfect complement for takeaway or delivery beverages, offering a comprehensive solution that ensures a complete and satisfying brand experience for the customer.

We offer plastic lids, paper lids, and all other necessary elements for delivering your drinks safely.

CARDBOARD CUP HOLDER

Made with a double protective layer that provides extra rigidity and allows contact with liquids in case of spills. Customizable from one-color up to full-color printing.

Available for 2 or 4 cups.

TRAVEL LID FOR HOT DRINKS

Our lids are ideal for delivering hot beverages, effectively preventing spills and ensuring safe transportation. They feature an open-and-close system that keeps the drink protected.

Sizes: 7, 8, 9, 12 oz, and 12 oz export

PAPER TRAVEL LID

Also known as a paper travel lid, this option is made from eco-friendly cardboard. Its hermetic seal keeps the beverage hot and prevents leaks during transport.

Sizes: 7, 8, 9, 12 oz, and 12 oz export

PLA TRAVEL LID

This lid is made from compostable and biodegradable plastic for hot beverages. It offers a leak-proof and eco-sustainable solution, as it is environmentally friendly.

Sizes: 4, 7, 8, 9, 10, 12, and 16 oz export

STRAW LID FOR COLD DRINKS

Also known as a hole straw lid, this accessory is perfect for delivering cold beverages without leaks. It includes an opening for inserting a straw, allowing consumption without removing the lid.

Sizes: 12, 16, and 22 oz

HEAT SLEEVE

An ideal accessory for single-wall cups containing very hot beverages. Made from micro-corrugated kraft cardboard, it can be customized with one-color printing.

Available in adjustable or adhesive versions.

Bowls or Containers

Designed to elevate the experience of ice cream shops, bakeries, and food establishments with functional and stylish packaging solutions.

BOWL OR CONTAINER

These biodegradable cardboard bowls are ideal for ice cream, desserts, salads, and more. They offer a safe, practical, and eco-friendly solution—perfect for food businesses that value sustainability without compromising quality.

NEW

Sizes: 5, 8, 12, and 16 oz

PLASTIC BOWL LID

We offer two types of lids: dome and flat lid. Both ensure a perfect seal that keeps food well protected at all times.

Sizes: 5, 8, 12, and 16 oz

Takeout Food Boxes

Boxes designed to protect food, streamline operations, and ensure efficient delivery.

We understand that every business has unique needs, that's because we offer custom die-cut designs tailored to your product requirements.

Just ask and We'll create the perfect solution for you!

PRE-FORMED TAKEOUT BOX

Ready to use with no assembly required. These boxes are ideal for meals with high sauce or juice content, as they prevent leaks during delivery or dispatch.

Sizes: 33 oz (square) and 64 oz (rectangular)

AUTO-LOCK BOX

Foldable box that minimizes storage space, offers easy assembly, and ensures a secure closure to keep contents protected at all times.

4- AND 6-POINT BOXES

Perfect for pastries and bakery products, these boxes are ideal for both low- and high-moisture items. They can be fully customized inside and out to match your brand.

Paper Bags

We offer the perfect final packaging solution for your product.

SQUARE-BOTTOM PAPER BAG

We manufacture custom paper bags with twisted paper handles, die-cut handles, and SOS-style (no handles). We also produce bags based on custom sizes as required by the client.
